Dear Mr. Murray:

Re: Essex Transmission LP by its general partner Essex Transmission GP Inc. (“Essex Transmission”) – Application Update for Electricity Transmission Licence (EB-2026-0095)

Essex Transmission acknowledges receipt of the Ontario Energy Board’s (“OEB”) correspondence requesting that a letter be filed to amend the licence application in proceeding EB-2026-0095 so that the applicant is identified as “Essex Transmission GP Inc. on behalf of Essex Transmission LP.”

Essex Transmission notes that, in section 2 of the application filed on February 13, 2026, the applicant is identified as “Essex Transmission LP by its general partner Essex Transmission GP Inc.” The amendment requested by the OEB is administrative in nature and will not affect any supporting documentation filed with the application, including contact information, financial statements, or directors’ and officers’ information.

Accordingly, Essex Transmission has no objection to the OEB issuing the transmission licence to “Essex Transmission GP Inc. on behalf of Essex Transmission LP” rather than “Essex Transmission LP by its general partner Essex Transmission GP Inc.”

Yours truly,

BORDEN LADNER GERVAIS LLP
