Dear Ms. Walli,

EB-2008-0312
Notice of Application and Hearing
Ontario Power Authority
Proposed 2009 Revenue Requirement Submission For Review

In accordance with the OEB's Notice dated November 28, 2008 ECMI requests intervenor status in the above noted Combined Proceeding. ECMI is an interested party in the electricity market and many its clients will be directly impacted by the outcome of this hearing and their customers will apparently face cost increases if the application is granted. ECMI will not be seeking costs.

The Board's notice requests intervenors to specify a preference for a written or oral hearing. ECMI has no preference and will rely on the Board's process to determine whether an oral or written hearing would produce the best examination of the evidence and the applicant's case.
