Dear Mr. Murray,

**Re: Enbridge Gas Inc. ("EGI")
Application for 2024 Cost of Service Rates – Phase 3
Ontario Energy Board ("OEB") File No.: EB-2025-0064**

We are counsel to Three Fires Group Inc. ("TFG") Minogi Corp. ("Minogi") in the above-noted proceeding (the "**Proceeding**"). Pursuant to Procedural Order No.7, TFG and Minogi provide the following limited submissions on the outstanding issues in the Proceeding.

Issue 13(c). TFG and Minogi are both active members of the Indigenous Working Group ("IWG"), established as part of the Settlement Agreement in Phase 1. Integrated resource planning ("IRP") is an area of focus of the IWG. At the Technical Conference, EGI indicated that First Nations and other Indigenous communities would be consulted as part of the IRP screening and evaluation process, which is an issue of significant importance to both Chippewas of Kettle and Stony Point First Nation and Mississaugas of Scugog Island First Nation. TFG and Minogi support this approach and believe that the IWG remains the more appropriate forum, along with the ongoing EB-20225-0125 IRP framework review proceeding, to advance their interests with respect to IRP. Accordingly, TFG and Minogi have no further submissions on this issue.

Other outstanding issues. TFG and Minogi take no position on the other outstanding issues in the Proceeding.

Sincerely,

DT Vollmer
