Dear Mr. Murray:

Re: EB-2026-0066 – Ottawa River Power Corporation 2027 Cost of Service Application for rates effective May 1, 2027

Ottawa River Power Corporation (“ORPC”) hereby submits its 2027 Cost of Service (“CoS”) application to the Ontario Energy Board (“OEB”) seeking approval of electricity distribution rates and other charges effective May 1, 2027.

The application has been prepared in accordance with the OEB’s applicable Filing Requirements for Electricity Distribution Rate Applications, associated models, and other applicable OEB policies, guidelines and directions. The application consists of the supporting evidence, appendices and models filed concurrently with this letter.

ORPC has made every reasonable effort to ensure that the evidence and supporting materials filed with this application are accurate and complete. ORPC will promptly advise the OEB should any material corrections or updates to the evidence become necessary during the proceeding.

Confidential Information

Concurrent with this application, ORPC is filing certain information for which it requests confidential treatment pursuant to the OEB’s Practice Direction on Confidential Filings. ORPC’s request for confidential treatment, including the information required by the Practice Direction on Confidential Filings, is being submitted under separate cover.

ORPC respectfully requests that the OEB accept this application for processing and looks forward to working with OEB staff and other parties throughout the proceeding.

Should the OEB require any additional information in respect of this application, please contact the undersigned.

Yours truly,

Justin Allen
President & CEO
