Dear Jonathan Myers:

**Re: Whisky Jack Forests LLC
Notice of Motion by Impala Canada Ltd. to Review and Vary the OEB's
Decision and Order in EB-2025-0286
Ontario Energy Board File Number: EB-2026-0178**

The Ontario Energy Board (OEB) acknowledges receipt of your letter dated August 28, 2026, regarding the sale of lands previously owned by North Star Forestry Ltd. (North Star) and the request that Whisky Jack Forests LLC (Whisky Jack) be granted intervenor status in the above-noted proceeding.

The OEB approves Whisky Jack as an intervenor in the proceeding and notes that Whisky Jack is now the owner of the lands that are the subject of the motion and has advised that it accepts the record in this proceeding and adopts all materials previously filed by North Star. The OEB accepts this position and will treat the existing materials filed by North Star as having been adopted by Whisky Jack for the purposes of this proceeding.

The OEB also notes that North Star will remain an intervenor for the limited purpose of submitting a cost claim and providing any transitional assistance that may be required.

Yours truly,

Ritchie Murray
Registrar
