Dear Ms. Walli:

**Re:** EB-2008-0385 - 2008 DSM Input Assumptions

Union Gas Limited ("Union") filed the 2008 Input Assumptions on November 10, 2008. There is an asterisk against certain measures within the assumptions table which is explained on page three with an asterisk at the bottom, stating:

*"Spillover values have been developed for these measures and may be applied to 2008 results pending a policy discussion with Union's Consultative."*

As a matter of an update, Union does not intend to pursue the inclusion of spillover values for 2008.

Union will continue to discuss spillover values with the Evaluation and Audit Committee for future input assumption updates.

Yours truly,
