Dear Mr. Murray:

RE: EB-2026-0029-Canadian Niagara Power Inc. (CNPI) 2027 Cost of Service Application

On September 14, 2026, CNPI informed the OEB that, following the settlement conference, CNPI and the parties are working towards filing a complete settlement proposal on all issues. Through Procedural Order No. 1 the OEB provided for a filing deadline for a settlement proposal of September 28, 2026. The parties agree that additional time is required to produce the written settlement proposal; accordingly, the parties are requesting an extension on behalf of all the parties until October 9, 2026, to submit the full settlement proposal with the OEB. CNPI and the parties will endeavor to submit the settlement proposal prior to this date if possible. If you have any questions or concerns, please do not hesitate to contact me.

Sincerely,

Oana
