**Re: Canadian Niagara Power Inc. (Canadian Niagara Power)  
2027 Cost of Service Application  
Ontario Energy Board (OEB) File Number: EB-2026-0029**

Procedural Order No. 1, issued on July 8, 2026, established September 28, 2026 as the deadline to file any settlement proposal arising out of the settlement conference, as well as subsequent procedural deadlines.

The OEB is in receipt of Canadian Niagara Power's letter of September 25, 2026 requesting, on behalf of the parties, an extension to the filing deadline for the settlement proposal. The OEB approves the request for an extension to **October 9, 2026**.

As stated in Procedural Order No. 1, in addition to outlining the terms of any settlement, the settlement proposal should contain a list of any unsettled issues, indicating with reasons whether the parties believe those issues should be dealt with by way of oral or written hearing.

As a result of the deadline extension for the settlement proposal, the deadline for OEB staff to file a submission on the settlement proposal is changed to **October 19, 2026**.

In addition, the tentative date for the presentation by Canadian Niagara Power of any settlement proposal and a summary of any unsettled issues in the case is changed to **October 29, 2026** from 9:30 a.m. to 5:00 p.m. This will be a virtual event and staff will, at the direction of the OEB, confirm or amend this date in subsequent correspondence.

Please direct any questions relating to this application to the case manager, Petar Prazic, at [Petar.Prazic@oeb.ca](mailto:Petar.Prazic@oeb.ca).

Yours truly,
