Dear Kemoya Temple:

**Re: Sioux Lookout Hydro Inc. (Sioux Lookout Hydro)
Delay in Filing Application
Ontario Energy Board File Number: EB-2026-0070**

This letter of approval is in response to your letter dated September 23, 2026 to the Ontario Energy Board (OEB), informing the OEB that Sioux Lookout Hydro Inc. (Sioux Lookout Hydro) will not be able to meet the filing deadline for its 2027 distribution rate application. Sioux Lookout Hydro requested that the OEB extend the filing deadline from **September 30, 2026 to October 30, 2026**.

The OEB grants Sioux Lookout Hydro's request for an extension, noting that the OEB previously granted an extension request on August 13, 2026. Please be advised that these approved extensions could affect the timing of the OEB's final decision on the application and the effective date of 2027 rates. Any questions regarding this matter should be directed to [Petar Prazic](#), Senior Advisor, Distribution Rates and Economics.

Yours truly,

Ritchie
