Dear Ms. Walli:

Re: EB-2008-0385 UNION Gas 2008 DSM Assumptions position of GEC, CCC and CME

I write to indicate that GEC has no concerns at this time regarding Union's 2008 DSM Assumptions submission. The full Audit and Evaluation Committee for Union Gas has informed me that the Committee worked with the Company and resolved all issues they had for 2008 prior to Union's submission. As a result, Ms Girvan for the CCC and Mr. DeRose representing CME also inform me that subject to any matters that may arise as a result of submissions from other parties, their clients have no need for any submissions on this matter at this time.

Sincerely,
