Dear Mr. Murray:

Re: EB-2025-0297 Application by Ontario Power Generation Inc. and DNNP LP by its general partner, DNNP GP Inc., (together, the "Applicants") for an order or orders relating to payment amounts for prescribed generating facilities (the "Application") – Application Update

The Applicants are writing to advise that they require time to assess an evolving change and determine if there is any impact to the Application. Due to the time required to evaluate this change, the Applicants will provide further detail in due course, but in any event, no later than November 13, 2026. As such, the Applicants request an extension to the timelines established in the OEB Procedural Order No. 9 to dates to be determined after November 13, 2026 (or earlier subject to the Applicants providing any update).

Respectfully submitted,

Saba Zadeh
