Dear Mr. Murray:

Re: EB-2026-0149: EPCOR Natural Gas Limited Partnership's ("ENGLP")
2027 Custom IR Update Application (Southern Bruce)
Phase 1 - Interrogatory Responses

Pursuant to Procedural Order No. 1, please find enclosed responses to questions received from OEB Staff and Consumers Council of Canada ("CCC") related to Phase 1.

There were no questions submitted by the School Energy Coalition.

Also included in this submission are revised rate riders (ADVADA, S&TVA, TVA), a revised rate model, bill impacts and a draft tariff sheet (both mitigated and non-mitigated).

In accordance with the *OEB Rules*, ENGLP requests that certain information in these responses be treated as confidential. Pursuant to section 4.1.1 and Appendix B of the *Practice Direction on Confidential Filings*, the redacted information is presumptively confidential as it involves "billing rates of a third party." Per section 5.1.4(b), the following table sets out the information for which confidential treatment is requested:

Question #	**Presumptive Confidentiality**
CCC-3f	The redacted information fits within a presumptive confidential category included in Appendix B of the *Practice Direction on Confidential Filings* since the information includes billing rates of a third party.

Copies of the confidential, un-redacted version and non-confidential, redacted version of these responses are enclosed herein. Please do not hesitate to contact me if you have any questions.

Please feel free to contact me if you have any questions regarding this matter.

Sincerely,

Tim Hesselink
