Dear Ms. Walli:

**Re: Enbridge Gas Distribution 2008 DSM Assumptions/
Ontario Energy Board File EB-2008-0304**

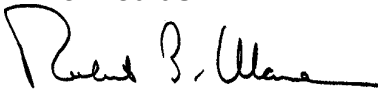

We are counsel to the Consumers Council of Canada in this matter.

We have this afternoon received copies of letters, both dated December 12, 2008, from Mr. DeRose, on behalf of Canadian Manufacturers and Exporters, and Mr. Poch, on behalf of the Green Energy Coalition. Their letters provide the comments of their respective comments on Enbridge Gas Distribution Inc.'s proposed 2008 DSM assumptions.

We have been instructed to advise you that our client is in substantial agreement with the comments of Messrs. DeRose and Poch.

Yours very truly,

WeirFoulds LLP
