Attention: Mr. John Pickernell, Assistant Board Secretary

Dear Mr. Pickernell:

RE: Ottawa River Power Corp. - Licence Amendment Application (EB-2008-0289)
Letter of Intervention from Brookfield Energy Marketing Inc.

We are counsel to Brookfield Energy Marketing Inc. ("Brookfield"). We are writing on behalf of Brookfield to request intervenor status in the above-noted application of Ottawa River Power Corporation for an amendment to its distribution licence to provide exemptions from Section 3.2 of the Retail Settlement Code and from Section 2.2.2 of the Standard Supply Service Code.

The applicant proposes licence amendments that would allow it to continue its longstanding arrangement by which it purchases substantial amounts of power from the Quebec-based Waltham Generating Station. As the owner of the Waltham Generating Station, Brookfield has a direct interest in this proceeding. While Brookfield does not anticipate filing interrogatories or written evidence at this time, we reserve our right to do so should it become necessary in the course of the proceeding.

Yours very truly,

Ogilvy Renault LLP
