Subject: EB-2026-0238 — Alectra application regarding Newmarket Hydro Holdings and Newmarket-Tay Power

To the Ontario Energy Board,

I am writing about Alectra Inc.'s application for approval of the first phase of its proposed transaction involving Newmarket Hydro Holdings Inc., Tay Hydro Inc., and Newmarket-Tay Power Distribution Ltd.

Please carefully consider how the proposed change in ownership and amalgamation could affect customers, including future electricity rates, service reliability, customer service, and local accountability. I ask the Board to require clear evidence that any claimed efficiencies or savings will benefit customers, and that transaction and transition costs will not be passed on to ratepayers.

Please also ensure that customers receive clear notice of any later changes to the distributor, their service, or the way they contact their utility.

Thank you for considering my comments.

Sincerely,
Wameedh Al Sabagh
