Ms. Kirsten Walli
Board Secretary
Ontario Energy Board
2300 Yonge St, Suite 2701
Toronto ON M4P 1E4

Dear Ms. Walli:

Board File No. EB-2008-0385 Union Gas Limited
Demand Side Management Input Assumptions – 2008 Program Year
Comments of Energy Probe

Pursuant to the Notice of Application and Hearing and Procedural Order No. 1, issued December 4, 2008, the following are the submissions of Energy Probe Research Foundation (Energy Probe) in respect of the Application in the EB-2008-0385 proceeding for the Board's consideration. An electronic copy of this communication in PDF format will be forwarded to the Board.

Our consultant, Mr. Norman Rubin, has reviewed the prefiled material, has noted that Union does not intend to pursue the inclusion of spillover values for 2008 and has expressed no concerns regarding the 2008 DSM Input Assumptions filed by Union Gas Limited. It is our understanding that the Audit and Evaluation Committee is of a like mind.

Should you have any questions or require additional information, please contact me.

Yours truly,

David S. MacIntosh
Case Manager
