VIA COURIER

Ms Kirsten Walli
Board Secretary
Ontario Energy Board
2300 Yonge Street, Suite 2700
Toronto, Ontario, M4P 1E4

Dear Ms Walli:

Re: Enbridge Gas Distribution Inc.
Withdrawal of Proposed March 1, 2009 QRAM

Enbridge Gas Distribution Inc. is writing to withdraw the proposal made in its November 19, 2008 letter requesting the advancement of the regularly scheduled QRAM of April 1, 2009 by one month.

The withdrawal of the proposal is the direct result of a pending change in the implementation schedule of the new CIS billing system. The CIS implementation schedule is expected to be revised in the near future. Details of the change will be announced once they have been finalized.

The Board's notice sent to parties on December 2, 2008 invited written comments on the Company's proposal by December 19, 2008. The Company assumes that, unless the Board indicates otherwise, such comments will no longer be required.

This will mean that the Company will return to the normal, established schedule for an April QRAM application. It is anticipated that final rates for the 2009 fiscal year will be implemented in conjunction with the April 1, 2009 QRAM proceeding.

Yours truly,

A handwritten signature in blue ink that reads 'Robert Bourke'.
