Dear Ms. Adams:

**Re: Natural Gas Resource Limited Leave to Construct Pipeline Decision
Board File No. EB-2006-0243**

This is in response to your letter of December 12, 2008 regarding an award of costs for the Town of Aylmer's participation in the NRG application for leave to construct a pipeline to the IGPC ethanol plant. The Board's Notice of Application dated November 1, 2006, sets out the procedure for intervention and eligibility for cost awards. The Notice is attached for your convenience. Our records confirm that the Town of Aylmer did not apply for cost awards in this proceeding, and the deadline for such an application has long since passed. As this file is now closed the Board will not be reconsidering matters related to cost eligibility.

Yours truly,
