Dear Sir/Madam,

Me and my husband live in Mississauga and are clients of Enersource Hydro Mississauga Inc. Recently we noticed the "Notice of Application and Written hearing for an electricity distribution rate change".

We are writing to object to a written hearing as the charges already increased in comparison with last year.

Considering me being at home on maternity leave with a child, and that my husband was laid off and until now can't get back to work, additional increase would be a significant amount for our monthly budget. We are trying to co-op with raised city taxes and asking to consider our opinion in this matter.

Thank you so much,

--

With respect,

Anna Mailova and Tarek Hanna
