IN THE MATTER OF the *Ontario Energy Board Act*, 1998, S.O. 1998, c. 15, (Schedule B);

AND IN THE MATTER OF an application by Centre Wellington Hydro Ltd. for an order approving just and reasonable rates and other charges for electricity distribution to be effective May 1, 2009.

PROCEDURAL ORDER No. 2

Centre Wellington Hydro Ltd. ("Wellington") filed an application with the Ontario Energy Board (the "Board"), received on August 18, 2008 under section 78 of the *Ontario Energy Board Act*, 1998, seeking approval for changes to the rates that Wellington charges for electricity distribution, to be effective May 1, 2009. The Board issued a Notice of Application and Hearing on September 16, 2008. Procedural Order No. 1, was issued on October 28, 2008. The Board made provision for written interrogatories and a transcribed technical conference. The purpose of the technical conference was to allow parties to ask supplemental questions to better understand Wellington's interrogatory responses and to provide parties the opportunity to scope issues for a potential settlement conference.

The Board has determined that the technical conference is not required. Instead the Board has determined that intervenors and Board Staff may submit supplemental interrogatories. These supplemental interrogatories shall be based on the interrogatories already asked or new information filed by Wellington since it filed its original application. It is the Board's expectation that parties will use the supplemental interrogatories to ensure both clarity of the record and that any new information is filed and tested in advance of final arguments.

Please note that this Procedural Order may be amended, and further procedural orders may be issued from time to time.

THE BOARD ORDERS THAT:

1. If Board staff and intervenors wish information and material that is in addition to Wellington's pre-filed evidence and responses to interrogatories, Board staff and intervenors shall request it by written supplemental interrogatories, filed with the Board and delivered to Wellington on or before **January 13, 2009**.
2. Wellington shall file with the Board complete responses to the supplemental interrogatories and deliver them to the intervenors no later than **January 23, 2008**.
3. If Board staff wishes to make a written submission on the application, Board staff must file that submission with the Board, and deliver it to Wellington and other intervenors by **February 13, 2009**.
4. Intervenors who wish to make a written submission on the application must file that submission with the Board, and deliver it to Wellington and other intervenors by **February 18, 2009**.
5. If Wellington wishes to respond to a submission, the response must be filed with the Board and delivered to intervenors by **March 4 2009**.

All filings to the Board must quote file number, EB-2008-0225, be made through the Board's web portal at www.errr.oeb.gov.on.ca, and consist of two paper copies and one electronic copy in searchable / unrestricted PDF format.
