Dear Ms. Walli:

**Re: Corrections to Franchise Renewal Application - Municipality of West Elgin
Board File No. EB-2008-0394**

Upon review, it has come to our attention that there were a couple of reference errors in our December 10, 2008 Application which we would like to correct. These corrections will require the Board to correct and re-issue the Notice of Application that was issued December 23, 2008.

The cover letter to Union's Application mistakenly refers to the Municipality as the Township of West Elgin when it should correctly be referred to as the **Municipality of West Elgin**. There are also two places in the Application where we refer to the amalgamated municipality as West Lorne when it should be referred to as **West Elgin** – the last line of the fourth "In The Matter" clause and again in paragraph 14(c).

As a result of these corrections, the Board will need to change the reference in the title of the Notice of Application from the Township of West Elgin to the **Municipality of West Elgin**. For publication purposes, we would appreciate it if the Board could send us the PDF as well as the Word versions of the Notice.

Our apologies for any confusion this may have caused. Should you have any questions, please do not hesitate to contact me or Gail Marvell ((519) 436-4600 ext. 2162 or gmarvell@uniongas.com). We look forward to receipt of your instructions.

Yours truly,
