Dear Ms. Walli,  
In connection with Mr. Thacker's correspondence of January 9, 2009, I would respectfully recall my correspondence to you before Christmas in which I advised all parties that it would not be possible for Union to respond to Mr. Thacker's original (and frankly quite unexpected) cost submission before the week of January 5, 2009. Mr. Thacker expressed no concerns at that time nor, in his most recent correspondence, has there been any suggestion of prejudice resulting from the timing of Union's response.
