Dear Mr Bouk:

**Re: Application for Electricity Retailer Licence
Board File Number EB-2009-0004**

This will acknowledge receipt on January 6, 2009, of your application for an electricity retailer licence. The Board has assigned File Number EB-2009-0004 to this matter. Please refer to this number in all future correspondence to the Board regarding this matter. All information related to this matter that is to be included in the record of the application must be filed with the Board Secretary.

Based on the Board's experience with applications of this nature, the Board expects that it will be able to render a decision and/or order for this application on or about April 21, 2009.

The Board notes that there is additional information typically asked for in a gas marketer licence application. It includes the following:

With reference to information about Key Individuals in Section D14 of the application form, please provide copies of two pieces of identification for each key individual listed in the application, one of which must include a photo. The information is necessary for the Board to conduct a police record check with the Ontario Provincial Police on the key individuals reported in Section D of the application.

There is no expectation that this additional information is needed to begin the process of reviewing this application. However, by providing such information, the processing of this application can be expedited.

Please file two paper copies of the additional material and an electronic version in Word and in searchable Adobe Acrobat (if available) with the Board Secretary. Electronic copies may be submitted on diskette or by e-mail to boardsec@oeb.gov.on.ca.

Please direct any questions relating to this application to George Dimitropoulos, Analyst, Market Operations, Licensing at +1 (416) 544-5152 or e-mail, George.Dimitropoulos@oeb.gov.on.ca.
