Attention: Ms. Kirsten Walli, Board Secretary

Dear Ms. Walli:

Re: Interrogatory Responses (EB-2008-0227)

On Friday, January 9, 2008, EWU electronically filed its interrogatory responses along with associated attachment documents. There were 4 "Attachment" documents containing 97 individual attachments, in addition to 2 Excel files and 2 confidential files.

In preparing the paper copies for filing, EWU discovered that 6 of the 97 individual attachments were of poor print quality. Accordingly, EWU is refilling those electronic documents. The documents have not been amended in any way other than this enhancement to print quality.

The paper copy filing will include both submissions.

Yours very truly,

ENWIN Utilities Ltd.
