Dear Ms. Walli:

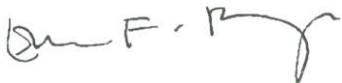

**Re: Request for Observer Status in Toronto Hydro 2008 EDR Cost of Service Hearing**

We are counsel to Canadian Union of Public Employees, Local 1. We are writing to request Observer Status at the Toronto Hydro 2007 EDR Cost of Service Hearing beginning November 30, 2007.

CUPE Local 1 represents 1,250 clerical, technical and trades workers at Toronto Hydro, and as such has a direct interest in decisions made regarding regulatory processes affecting the operation of Toronto Hydro, and in particular of Toronto Hydro's rates. CUPE Local 1 has not sought intervener status in the proceedings, but maintains an interest in the outcome of the hearing and evidence presented before the Ontario Energy Board.

If you have any questions about CUPE Local 1's interest in the matter, please do not hesitate to contact me. Thank you for your attention to this request.

Sincerely,

Emma Phillips
